

# pamela prichett

## design

Independent art director & designer for international corporate meetings, visual communications, trade shows, and special events. Areas of expertise include the conceptualization, design & development of presentation storyboards, logos, graphics, animations and environmental elements. Oversees the integration of design throughout all visual media - digital, print, and broadcast - ensuring a creative, uniform and clear message for a variety of clients, big and small. Projects have included IBM Golden Circle and EMEA international awards events, Canon Product trade shows, Pfizer sales meetings and broadcasts, American Express awards events & corporate meetings, New York Historical Society multi-media exhibit, Lincoln-Mercury automotive sales launch, and many others.

Special strengths include the combination of strong visual concepts with bold, clean illustration, typography, color and imaginative integrations of design into various media applications.

## illustration

Illustration work has appeared in publications around the globe including New York Magazine, The Village Voice, The New York Times, San Francisco Chronicle, Newsweek, The LA Times, Boston Globe, Parenting Magazine, MS. Magazine, Sierra Magazine, the New Yorker and on the covers and pages of music cd's, books, print and digital publications.
